This site is located 2.5km from the YCM, either 10mn by bike or 30mn by foot. The YCM will do its best to arrange shuttles between the campervans area and the Yacht Club de Monaco to facilitate the transfers of the sailors.

Attached map (Appendice 1) shows the foreseen area, prebooked for the campervans. The attributed location will be specified in the roadbook available to all competitors one month before the race.

NB: no hook-ups for water and electricity available on site.

The Yacht Club de Monaco encourages the participants in the European Master Championship to find an alternative accommodation solution, for example apart-hotels, in the immediate vicinity of Monaco, in the neighbouring municipalities of Beausoleil, Cap d'Ail or Roquebrune-Cap-Martin.

Competitors can also benefit from negotiated rates, through the YCM, by contacting hotels@ycm.org
