About us

UNIONE VELICA MACCAGNO

The event host club. Founded in 1977, it is the Italian northeast-located club of the Maggiore lake. Thanks to the mountains shaping the «Canalone» (which means «big channel»), it's always windy here: we have tramontana in the morning and invernata in the afternoon. Every year, UVM organizes international regattas thanks to its strategic position for European sailors.

ASSOCIAZIONE VELICA ALTO VERBANO

Founded in 1938, AVAV is one of the oldest sailing clubs in Italy. Thanks to its activities, it has been assigned prestigious prizes from CONI, the Italian Olympic Committee. Among AVAV members we can find world champions and America's Cup sailors.

CIRCOLO NAUTICO CALDÈ

Starting from 1975, the club became an important location for sailing on the lake, and it is located in such a beautiful site that it is named the «Portofino» of the Maggiore lake.

CIRCOLO DELLA VELA ISPRA

From 1980, Circolo della vela Ispra is the core location for regattas on the bottom half of Maggiore lake. It organizes the «Mazzarditi», which is a very famous «long distance» race, currently at its 36th edition.

About us

UVM CLUBHOUSE: 500sq.m
2 CHANGING ROOMS WITH SHOWERS
1 LOBBY
1 CLUB OFFICE
1 RACE COMMITTEE ROOM
1 WAREHOUSE
1 KITCHEN

RACING SUPPORT:
10 DINGHYS
1 COMMITTEE BOAT
26 STAFF PEOPLE

SLIPWAYS:
6.000 SQ.M AVAILABLE FOR BOAT PARKING
3 SLIPWAYS

Logistic information

Maccagno is one of the earliest inhabited places in the Verbano province, with a long history that has left significant traces on the urban fabric, making this an attractive and interesting town.

The village was divided into the Upper and Lower town by the Giona stream, creating almost two independent towns inside the same town.

The most characteristic area is the Maggiore District, in the Lower Village. Here the houses are built close together, separated only by narrow streets. The district's two most important landmarks are the Imperial Tower and the small shrine of the Madonna della Punta overlooking the lake.

The Upper Village, where the Town Hall is located, is more modern, but in return it offers a unique view sure to leave you speechless, offering a glimpse of virtually the entire Verbano area, from the Canton of Ticino to the Borromeo Gulf. Be sure to visit Corte Branca, considered to be the village's most expressive historic building thanks to its elegant arcade.

COURSE

*Euro Master
Circuit 2021*

Each year, the Unione Velica Maccagno successfully organizes regional ILCA regattas with around 100 athletes. In 2013, the club, together with Circolo Nautico Caldè, organized the Italian Master Championship.

The organizing clubs have adapted to the anti-Covi 19 directives issued by the National Authorities and will thus guarantee to carry out the regattas safely.
